5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

During the entry level the students are updated with the student support services through admission prospectus. Thereafter the awareness about the service is provided through our college website. Co-ordinators of different schemes are identified who will guide and introduce the students to various student support services. IQAC conducts student orientation programme where respective co-ordinator of the scheme are involved and various student support services are elucidated to the students right at their entry level which helps successful transition and academic succession. The students support activities are also promoted through the heads of the departments, faculty members, student council members and the class representatives. Through our institutions internal student journal “Aavishkar”, and various other newsletters, the IQAC familiarises the student support services.

5.2 Efforts made by the institution for tracking the progression

To track the progression of the students, the committee in our institution formed for this purpose analyses the results of the previous examinations and takes appropriate actions according to the findings. The IQAC along with the other faculty members decide the remedial measures.

In order to track the progression of the passed out students, the institution conducts the alumni meetings in which both alumni and their parents are invited. The faculties in the respective department maintain the contacts with the passed out students. Feedbacks from the students whose sibling are alumni of the institution are one of the methods to track the progression of the alumni. Information about the students pursuing higher studies are gathered from TC registers and LC registers. The institution maintain alumni directory which provides about the students progression.
